2015 ICBPAC Contributors From Missouri

January 1, 2015 thru January 31, 2015

The Independent Community Bankers Political Action Committee (ICBPAC) is the non-partisan political action committee of the ICBA. ICBPAC is the only national trade association dedicated exclusively to representing the community banking industry. The Missouri Independent Bankers Association realizes how important the ICBPAC is to advancing our lobbying agenda on Capitol Hill and encourages all members to contribute to ICBPAC so we can continue to support the elections of those candidates and members of Congress who have proven records of support for the community banking industry. We hope this Honor Roll will help remind our community bank membership to support ICBPAC at the Federal level. The following individuals from Missouri have made contributions in support of ICBPAC in **2015**. For more information regarding the ICBPAC, contact ICBPAC Director Courtney Schoenborn at (800) 422-8439 or courtney.schoenborn@icba.org. Your continued support is appreciated.
