COURSE INTRODUCTION

The 2019 CEO Forum provides a platform for non-competing bank CEOs exchange ideas freely, dissect problems, and discuss important issues with peers. Each group meets three times annually at the Missouri Independent Bankers Association headquarters. The agenda for each session will flow based on feedback from participants in the forum group. As necessary, subject matter experts will be brought in to cover specific issues and topics based on responses from the forum members. You will not want to miss this opportunity!

HOW IT WORKS...

- Groups are organized based on bank size and market to ensure that participants have as much in common as possible without being competitors. Additional groups may be added, depending on demand.
- The groups are small—no more than 15 bank CEOs in a group. Due to the nature of the program, no substitutes are permitted unless by consent of the other participants.
- Each forum meets three times during the year.
- Five to seven topics are discussed at each session. Participants are strongly encouraged to suggest agenda topics of interest.
- Participants get the benefit of working with industry experts on a cost-saving basis.
- A binder containing forum handout materials is provided for each group member.
- Members can exchange ideas and network between meetings.
